

ACS Journal of Experimental and Clinical Pharmacology

Article Processing Charges (APC)

To support peer review, editorial services, online hosting, and open access dissemination, the journal levies an Article Processing Charge (APC) upon acceptance of manuscripts. There is no submission fee.

Author Category	Publication Fee
Indian Authors	■ 2,500 INR
Foreign / International Authors	USD 150

What the APC Covers

Editorial handling, peer review management, formatting, online publication, archiving, and open access availability.

When to Pay

The APC is payable only after acceptance of the manuscript.

Mode of Payment

Bank transfer, UPI (for Indian authors), and international wire transfer.

Transparency Statement

APC does not influence editorial decisions. All manuscripts undergo rigorous peer review.
